

St John
first to care

Health Shuttle

If you have difficulty getting to your medical appointment because of health, or mobility problems,

WE CAN HELP YOU.

Travel to and from your doctor, Specialist or the Wairau hospital in our fully equipped Health Shuttle.

Have the added reassurance that should you require assistance a trained person is at hand.

We will transport you to any health related appointment from a private address or rest home.

The St John Health Shuttle is provided as a community service and your donation to our driver assists us to keep the service running.

The St John Health Shuttle runs every Monday to Friday (except public holidays). We can collect from Blenheim, Ward, Seddon, Wairau Valley, Havelock and Picton.

We will require a minimum of one days notice.

Any further information ring **03 578-0797**.
