

PROGRAMMES AND SERVICES POLICY

All the KHW MPHO programmes and services shall be thoroughly researched prior to commencement and carefully managed once established. Therefore the CE shall not:

- 1 Establish programmes and services which are not aligned to the KHW MPHO mission, key result areas and priorities.
- 2 Establish programmes and services which are unable to be resourced, taking account of existing demands on staff and other physical resources.
- 3 Establish programmes and services which have not been carefully and accurately costed.
- 4 Fail to regularly monitor and review the outcomes of all programmes and services.
- 5 Establish programmes or services which conflict with existing priorities as defined by the Governance Board.
