

# Stand up to **FALLS**

Month:

Fall free day

Fall

		1	2		
		3	4		
		5	6		
7	8	9	10	11	12
13	14	15	16	17	18
19	20	21	22	23	24
		25	26		
		27	28		
		29	30	31	

-  **F**ocus on the problem and impact of falls at patient and system level
-  **A**nalyse and understand data and why falls occur
-  **L**ead reducing harm from falls strategies locally, regionally and nationally
-  **L**ink and partner with patient, family and other organisations recognising this is a community problem
-  **S**hare what works – collaborate to improve the quality of care for all those at risk of falling.
