Repeat prescriptions are available for patients on regular medications who have been seen in the last 6 months and have had it previously prescribed by one of our Doctors. This service is at the Doctors discretion, if the Doctor requires you to make an appointment you will be contacted.

If you are a new patient and have not been seen before, you will need to make an appointment.

Prescriptions will be available to collect from reception **after 2pm the following working day** and cost \$15.00, if you require it to be faxed to the pharmacy the cost is \$17.00.

Prescriptions that are requested for the **same day or outside of the above criteria** are **classed as urgent** and cost \$20.00. These must be phoned through to reception by 12pm on the day of needing it. This depends on the availability of Doctors and cannot be guaranteed. If you require it to be faxed to the pharmacy the cost is \$22.00.
