

## How to Create an Account/Get a TaperMD login

1. Ask your administrator for an account set-up link to be sent to the email address that you would like to be associated with your TaperMD account
2. Once your administrator has sent the invite email - go to your email inbox and look for an email from [support@tapermd.com](mailto:support@tapermd.com) (PLEASE CHECK JUNK/SPAM FOLDERS). Then click on the link provided in this email.

3. Enter your new password in BOTH of the fields. One field may be auto-populated but it is important to delete anything in this field first.

4. In this screen you enter the patients NHI number to access their profile

Please launch a report by its reference code.
